

foams, characterized in that the composition comprises a prepolymer composition of Claim 15.--

REMARKS

Applicant has amended the claims to reflect, for Claims 1-17, the claims as originally filed. None are now multiply dependent. Claims 18-28 reflect the higher numbered claim for each of the multiply dependent claims.

SUMMARY

The examiner is requested to call the undersigned at (415) 324-1677 as soon as possible.

Respectfully submitted,
